BILLING CODE 4140-01-P

DEPARTMENT OF HOMELAND SECURITY

[Docket No. CISA-2022-0015]

Agency Information Collection Activities: Information Collection for the State, Local, Tribal and Private Sector (SLTPS) Clearance Program

AGENCY: Cybersecurity and Infrastructure Security Agency (CISA), Department of Homeland Security (DHS).

ACTION: 30-Day notice and request for comments; reinstatement and revision of information collection request: 1670-0013.

SUMMARY: The Cybersecurity and Infrastructure Security Agency (CISA) will submit the following information collection request (ICR) to the Office of Management and Budget (OMB) for review and clearance in accordance with the Paperwork Reduction Act of 1995. CISA previously published this information collection request (ICR) in the **Federal Register** on November 21, 2022 for a 60-day public comment period. Zero comments were received by CISA. The purpose of this notice is to allow additional 30-days for public comments.

DATES: Comments are encouraged and will be accepted April 12, 2023. This process is conducted in accordance with 5 CFR 1320.10.

ADDRESSES: Interested persons are invited to submit written comments on the proposed information collection to the Office of Information and Regulatory Affairs, Office of Management and Budget. Comments should be addressed to OMB Desk Officer, Department of Homeland Security and sent via electronic mail to dhsdeskofficer@omb.eop.gov. All submissions must include the words "Department of Homeland Security" and the OMB Control Number 1670-0013—replace Comments submitted in response to this notice may be made available to the public through relevant websites. For this reason, please do not include in your comments information of a confidential nature, such as sensitive personal information or proprietary information. If you send an email comment, your email address will be automatically captured and included as part of the comment that is placed in the public docket and made available on the internet. Please note that responses to this public comment request containing any routine notice about the confidentiality of the communication will be treated as public comments that may be made available to the public notwithstanding the inclusion of the routine notice.

FOR FURTHER INFORMATION CONTACT: If additional information is required contact: The Department of Homeland Security (DHS), Quintin Whitaker, 202-805-4959 PSCP@hq.dhs.gov.

SUPPLEMENTARY INFORMATION: Partnerships between the U.S. Government and the state, local, tribal and private sector at times necessitate the sharing of classified information. The State, Local, Tribal and Private

Sector (SLTPS) Clearance Request Form facilitates this sharing by sponsoring security clearances for certain members of each sector based on either their membership on a Sector Coordinating Council (SCC)/association or their infrastructure protection job-related duties and their need-to-know. The SLTPS is designed to sponsor security clearances for state, local, tribal and private sector officials involved in the infrastructure protection mission. These partners are subject matter experts within specific industries and have specialized knowledge not available within the Department of Homeland Security (DHS) and other Federal Departments or Agencies. Private citizens do not receive monetary compensation for their time. CISA created this program to sponsor clearances for these individuals who are not employed by or contracted with another Federal agency (the traditional means of obtaining a clearance) and must have clearances.

The Cyber Information Sharing and Collaboration Agreement (CISCA) and Classified Critical Infrastructure Protection Program (CCIPP) nominees will also use the form in the same manner as the SLTPS. The form updates will include adding State and Local, CISCA and CCIPP to the drop-down capabilities. Type of submission will have a dropdown capability added. Subsectors will be added to some of the Sectors. A generic approving signature title will be added.

CISA collects necessary information through 1670-0013 to facilitate security clearances needed for sharing classified information with the vetted SLTPS Stakeholders.

The U.S. Government is authorized to ask for this information under sections 201 and 229 of the Homeland Security Act (Pub. L. 107-296, 6 U.S.C. 121, 150), and Executive Orders 12968, 13526, 13549, 13636, and 13691 which authorize the collection of this information.

In order to begin this process of adjudicating a nominee to participate in the clearance program, Federal nominators will complete the DHS Form 9014, State, Local, Tribal and Private Sector Clearance Request Form, excluding their date of birth, place of birth and social security number. The Federal nominator will sign the form and have it approved by a senior-level official from the corresponding Federal Department or Agency. Before being submitted to the CISA Office of the Chief Security Officer (CCSO) SLTPS Administrator via the CISA Action Task Tracker (CATT), the nominee would have been deemed to have a CISA
